UNIQUE SELLING POINTS

Our towels have a clean, neat look on the visual side of golf towel & functional cleaning surface folded on inside.

How about having your golf club, resort or even corporate business branding on our Panoramic Towel?

Invest in something that will make your brand or club stand out!

There is nothing worse than having your golf towel looking old and worn after just a few months or even weeks of use.

Our golf towels are treated with Rucostar EEE making the outer woven fabric layer of the TuxTowel™ oil and soil repellent and thus preserving your club or corporate logo.

Silver Plus has the ultimate hygiene textile finish on our towels– making the TuxTowel™ anti-bacterial and safer for you to use.
