# Some Client Testimonials

The River Club has had the privilege of repress. The look and feel of each item is one of immense worth and yet somehow, not only are there excellent margins to be made by the retailer, but more importantly they are extremely well priced and attractive to the consumer.

I am also appreciative of the fact that you have gone beyond the call of duty on many instances to ensure that we have always been able to provide a premier service to our prestigious members. I would have no hesitation in recommending Legendary Golf and their products to any golf facility and or Pro shop.

Chris, it has been a pleasure working with you and your company and in my opinion every golf shop would be doing themselves a disservice if they did not carry legendary Golf products.

Andy Bean

The Links Golf Club has been collaborating with Legendary Golf for last two and half years. We can honestly say that they are the best in the business. Their customer service is outstanding, their personalized attention is unmatched, their high luxury quality of products is superb, and their professional team is always ready to help. Thank you, Legendary Golf, for making the effort to always go above and beyond.

Jeremy D'Argent

We have been stocking products from Legendary Golf for a number of years at our courses in Mauritius, namely Azuri The Nine, Heritage Le Chateau, Heritage La Reserve and Avalon Golf Estate.

The craftsmanship is outstanding and the quality of the products are simply unrivalled. The fact that each product is customizable with fair MOQ's makes it the perfect addition to any premium facility's pro shop. Our sell through on the products has been excellent as well!

Chris and his team go above and beyond to service our needs and we look forward to fostering an even stronger partnership over the next few years.
