OUR STORY

Africa Golf Management is a family-owned business, born out of a shared family passion for sport and golf.

We are reliable and professional suppliers of high-end golf & leisure apparel and accessories.

With a global reach stretching from Africa to Europe, we pride ourselves in showcasing only the very best brands and products to potential retailers.

A family business enables us to share values that combine fairness, responsibility with radical transparency, both internally and with our clients.

We invest our time in sharing our knowledge to ensure our clients' success, while fulfilling your needs to the absolute best of our ability.

A CAPE TOWN LOVE AFFAIR

Cape Town, the southernmost tip of South Africa, is a magical place that rustles your hair, gets under your skin, and soothes your soul. A paradise with golden beaches, azure summer skies, and the ever-present iconic Table Mountain as its beautiful backdrop. Beyond this, the natural wilderness of the African continent is just a short trip away from the luxurious and cosmopolitan vibe of the city.

Often Cape Town is referred to as “The Mother City”, an affectionate term used to describe the intimate feeling of home. **House of Ord - Cape Town** was founded here with the aim of sharing our love for Cape Town, combined with a desire to protect against the sun.

Sunshine-filled days contribute to a colourful and sensual ambiance that defines true Capetonian style. We believe in sharing our expertise in sun protection so our customers can explore the natural beauty of this world while safely enjoying the sun.

With an eye for detail, **House of Ord - Cape Town** provides high-quality hats where craftsmanship and premium materials are embodied in timeless and elegant designs. This ensures the durability of our hats and a long-term relationship with our customers.

TRAVEL AND CARRY THE SHADE WITH YOU!

Most of our hats are travel-friendly and, depending on the material, can be rolled or squashed flat in your luggage. They will simply bounce back on arrival. Some hats must be handled with more care; simply check the instructions on the tag.

ADJUSTABLE SIZING

Use a soft tape measure and place it around your head, positioned mid-forehead and just above the ears. Measure your head in centimeters to find the right hat size. If your measurement falls between sizes, choose the larger size to be guaranteed a comfortable fit. All our hats can be adjusted by tightening the internal drawstring, Velcro, or our unique Comfy-Fit clip.

PREMIUM QUALITY MATERIALS AND ETHICAL PARTNERSHIPS

We are committed to hand-picking premium-quality materials from manufacturing partners that comply with ethical working standards and consciously strive to learn and contribute to a more sustainable manufacturing process. We value extending product longevity through innovative craftsmanship embodied in timeless and elegant designs.

FLEXIBRAID

An innovative crush-resistant material designed for travel enthusiasts. It is colourfast, hand washable, packable and lightweight

PAPER FIBRE

Organic reeds and grasses, harvested and dyed before being woven into a braid. Multiple braids of this natural fibre are stitched together to form the hat

POLYESTER KNIT

The tight knit of the synthetic polyester fibres creates a soft, supple hat with a comfortable fit that is colourfast, hand washable and crush-resistant

POLYBRAID / POLYPROPYLENE

A lightweight, durable synthetic fibre that is woven into a crush-resistant braid. These hats retain their shape, are fade-resistant and travel-friendly

POLYESTER

Rows of synthetic polyester thread or braid are machine stitched together to form the hat, which makes it durable, lightweight, and crush-resistant

COTTON / LINEN / CORDUROY

Durable material that can be packed and folded, making it travel-friendly. Lightweight, hand washable and crush-resistant

100% WOOL FELT

Premium quality felt designed using 100% wool, sourced from R.W.S (Responsible Wool Standard) Certified suppliers. Luxurious, durable and packable

MICROFIBER / NYLON

A quick-drying, water repellent material that is durable, hand washable and crush-resistant

POLYESTER SUEDE

Synthetic suede material with a distinctive look that is soft to the touch, lightweight and durable

MAXIMUM SUN PROTECTION

Our **UPF50+ certified hats** have undergone extensive testing by independent laboratories and adhere to strict UP50+ regulations. A hat with a UPF50+ rating blocks 97 - 98% of the sun's harmful UVA and UVB rays. Complies with the recognized standards of EN 13758-2:2003+A1.
